Your Record of 2019 Election Results

These results are based on a spreadsheet received from the Electoral Commission of Namibia (ECN) on February 20 2020 with the exception that a mistake made by the ECN concerning the Windhoek Rural constituency result for the Presidential election has been corrected. The mistake, in which the votes for Independent candidate and the UDF candidate had been transposed, was spotted by the IPPR and has been acknowledged by the ECN.
